(Age min 45 years as on 15th September 2024) it should be nominated by the 1 the person shall be Fellow member of The Institution of Engineers (India), and attached to the Jamshedpur local Centre. He /She shall be an active member and shall take keen interest in the activities of the Jamshedpur local Centre. **it should be nominated by the executive committee members only.**

ii) He/ She shall be engaged in any discipline of engineering in Design, Construction, Project management, Research and Development, Process Industry, Teaching profession or similar works.

iii) He must be holding a position of responsibility in his profession or business and be in the rank of chief engineer or above.

iv) The Award being for professional excellence, the member shall have contributed distinguished service in his area of work.

v) The nomination received with detailed Bio-Data shall be scrutinized by a properly constituted committee to be nominated by the Jamshedpur local centre committee each year. The name shall be recommended to the Jamshedpur Local Centre Committee for their final approval.

vi) The AWARD carries a Memento and a citation and will be awarded at the Engineers Day Celebrations to be held at Jamshedpur.

2. **Engineering Achievement Awards:** These awards are given for excellent work done in the Engineering field. (Min. age 40 years as on 15th September 2024)

The person shall be Fellow member of The Institution of Engineers (India), and attached to the Jamshedpur local Centre (Membership no. on roll by 31st July 2024). He /She shall be an active member and shall take keen interest in the activities of the Jamshedpur local Centre.

3. **Promising Engineer Awards:** These awards are given to young engineers showing excellence in their career. (Age less than 35 years as on 15th September 2024)

The person should be member of The Institution of Engineers (India), and attached to the Jamshedpur local Centre (Membership no. on roll by 31st July 2024). He /She should be an active member and take keen interest in the activities of the Jamshedpur local Centre.

4. **Lady Engineer Awards:** These awards are given to Lady Engineers having suitable qualification and engineering performance, to encourage them to take up challenging engineering career. She should be a member of the Institution of Engineers (India) and attached with Jamshedpur Local Centre. (Membership no. on roll by 31st July 2024).

There is no age group for this award. She should be member of The Institution of Engineers (India), and take keen interest in the activities of the Jamshedpur local Centre.

NOTE:

1. The awards and prizes will be given away during the Engineers' Day celebrations function on or after 15th Sept. 2024.
2. The date to receive nominations for awards is 17th August 2024.
3. **The Jamshedpur Local Centre awards are restricted to engineers working in Jamshedpur and East and West Singhbhum district and attached with IEIJLC.**
4. The head of the organization should preferably recommend nominations, since it will add to authenticity and reliability of information. Application of self-employed engineers should be supported by two reputed engineers.
5. The Application format along with a passport size photograph should be as per appended format.
6. Achievements given in the resume should be necessarily outstanding contributions in the field of engineering and technology e.g. research, design, quality control, economy in execution or maintenance, saving of foreign exchange, construction management etc. Please note that achievements in other fields such as sports, social services, and dramatics etc. will not be considered. Also, routine work will not be given any considerations.
7. The selection committee shall scrutinize the nominations received and recommend to the core committee. The decision of the core committee shall be final and no queries in this regard will be entertained.
8. **Candidate should be attached with Jamshedpur Local Centre and Membership number on roll by 31st July 2024.**
